CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sir or Madam,

**(1) ADOPTION OF NEW SHARE OPTION SCHEME;
AND
(2) NOTICE OF SPECIAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with the details of the New Share Option Scheme and a notice to convene the EGM to consider and, if thought fit, to approve the adoption of the New Share Option Scheme.

LETTER FROM THE BOARD

PROPOSAL FOR ADOPTION OF THE NEW SHARE OPTION SCHEME

The Existing Share Option Scheme

Pursuant to an ordinary resolution passed by the Shareholders on 2 February 2002, the Company had adopted the Existing Share Option Scheme, pursuant to which the Board was authorised to grant Options to (i) any employee or proposed employee (whether full time or part time) of the Company, any of its subsidiaries or any Invested Entity, including any executive director of the Company, any of such subsidiaries or any Invested Entity; (ii) any non-executive directors (including independent non-executive directors) of the Company, any subsidiary or any Invested Entity; (iii) any supplier of goods or services to any member of the Group or any Invested Entity; and (iv) any customer of the Group or any Invested Entity.

As at the Latest Practicable Date, the Company has not adopted any share option scheme other than the Existing share Option Scheme and 246,900,000 Options had been granted by the Company under the Existing Share Option Scheme. The Directors confirm that no further Options will be granted under the Existing Share Option Scheme prior to the date of the EGM.

New Share Option Scheme

The Existing Share Option Scheme was expired on 2 February 2012. Accordingly, the Company proposes to adopt the New Share Option Scheme which complies with Chapter 23 of the GEM Listing Rules.

The purpose of the New Share Option Scheme is to enable the Company to continue to grant Options to the Eligible Participants in order to recognise and motivate the contribution of the employees of the Group and to provide incentives and help the Group in retaining its existing employees and recruiting additional employees and to provide them with a direct economics interest in attaining the long term business objectives of the Group.

The rules of the New Share Option Scheme provide that the Company may specify the Eligible Participants to whom Options shall be granted, the number of Shares subject to each Option and the date on which the Options shall be granted. The basis for determining the subscription price is also specified precisely in the rules of the New Share Option Scheme. There is no performance target specified in the New Share Option Scheme. The Directors consider that the aforesaid criteria and rules will serve to preserve the value of the Company and encourage Eligible Participants to acquire proprietary interests in the Company.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the Company has 4,187,798,617 issued Shares. Assuming that there is no change in the issued share capital between the period from the Latest Practicable Date and the Adoption Date, the number of Shares issuable pursuant to the New Share Option Scheme on the Adoption Date will be 418,779,861 Shares, representing 10% of the existing issued share capital of the Company.

The Directors consider that it is not appropriate to state the value of all Options that can be granted pursuant to the New Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the Option value have not been determined. Such variables include but are not limited to the exercise price, exercise period and lock-up period (if any), and predetermined performance target (if any). The Directors believe that any calculation of the value of the Options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

None of the Directors is trustee of the New Share Option Scheme or has a direct or indirect interest in the trustee. With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 23 of the GEM Listing Rules.

CONDITIONS PRECEDENT OF THE NEW SHARE OPTION SCHEME

The adoption of the New Share Option Scheme is conditional upon:

- (a) the Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme; and
- (b) the passing of an ordinary resolution to adopt the New Share Option Scheme by the Shareholders at the EGM;

LETTER FROM THE BOARD

Subject to the obtaining of Shareholders' approval with respect to the adoption of the New Share Option Scheme at the EGM, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and another other schemes must not in aggregate exceed 10 per cent. of the total issued capital of the Company as at the Adoption Date unless the Company obtains a fresh approval from Shareholders to renew the 10 per cent. limit on the basis that the maximum number of Shares in respect of which Options may be granted under the New Share Option Scheme together with any Options outstanding and yet to be exercised under the New Share Option Scheme and any other schemes shall not exceed 30 per cent. of the issued share capital of the Company from time to time.

A summary of the principal terms of the New Share Option Scheme which is proposed to be approved and adopted by the Company at the EGM is set out in the Appendix II to this circular on pages 10 to 19. A copy of the rules of the New Share Option Scheme is available for inspection at the Company's principal place of business in Hong Kong at Unit 818-822, 8th Floor, Bank of America Tower, 12 Harcourt Road, Central, Hong Kong during normal business hours from the date hereof up to and including the date of the EGM.

EXTRAORDINARY GENERAL MEETING

A notice of the EGM which will be held at 6/F, New Henry House, No. 10 Ice House Street, Central, Hong Kong at 10:00 a.m. on Thursday, 22 March 2012 is set out on pages 20 to 21 of this circular. An ordinary resolution will be proposed at the EGM to seek Shareholders' approval to adopt the New Share Option Scheme.

A form of proxy for use at the EGM is enclosed with this circular. Whether or not you intend to be present at the EGM, you are requested to complete this form of proxy and return it to the branch share registrar of the Company in Hong Kong, Hong Kong Registrars Limited, at Shops 1712-1716, 17/F., Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong in accordance with the instructions printed thereon no later than 48 hours before the time of the EGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the EGM should you so wish.

To the best of the Director's knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolution to be proposed at the EGM. The Board confirm that to the best of their knowledge, information and belief having made all reasonable enquiries, as at the Latest Practicable Date, there was no voting trust or other agreement or arrangement or understanding (other than an outright sale) entered into by or binding upon any Shareholder and there was no obligation or entitlement of any Shareholder whereby he has or may have temporarily or permanently passed control over the exercise of the voting right in respect of his Shares to a third party, either generally or on a case-by-case basis.

LETTER FROM THE BOARD

The resolution proposed to be approved at the EGM will be taken by poll and an announcement on the outcome of the EGM for the adoption of the New Share Option Scheme will be made by the Company following the EGM.

APPLICATION FOR LISTING

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the New Share Option Scheme.

COMPETING INTERESTS

As at the Latest Practicable Date, none of the Directors or their associates had an interest in a business, which competes or may compete with the business of the Group, or has any other conflict of interests with the Group.

RECOMMENDATION

The Directors consider that the proposed adoption of the New Share Option Scheme is in the best interests of the Company and the Shareholders as a whole as the provisions of the New Share Option Scheme and any Options granted thereunder will be in line with the requirements of Chapter 23 in the GEM Listing Rules. Accordingly, the Board recommends the Shareholders to vote in favour of the ordinary resolution to be proposed at the EGM.

GENERAL

Your attention is also drawn to the additional information set out in the appendices to this circular.

The English text of this circular, the notice of the EGM and the form of proxy for use at the EGM shall prevail over the Chinese text in case of inconsistency.

Yours faithfully
For and on behalf of the Board of
Ruifeng Petroleum Chemical Holdings Limited
Yu Won Kong Dennis
Chairman

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquires, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

NEW SHARE OPTION SCHEME

The following is a summary of the principal terms of the New Share Option Scheme but does not form part of, nor was it intended to be, part of the New Share Option Scheme nor should it be taken as affecting the interpretation of the rules of the New Share Option Scheme:

(a) Purpose of the New Share Option Scheme

The purpose of the New Share Option Scheme is to enable the Company to grant Options to the Eligible Participants in order to recognize and motivate the contribution of the employees of the Group and to provide incentives and help the Group in retaining its existing employees and recruiting additional employees and to provide them with a direct economics interest in attaining the long term business objectives of the Group.

(b) Administration of the New Share Option Scheme

The New Share Option Scheme shall be subject to the administration by the Board which may include a duly authorised committee thereof and the decision of the Board shall be final, conclusive and binding on all parties.

(c) Grant and acceptance of Options

Subject to the terms of the New Share Option Scheme, the Board may, in its absolute discretion, invite any Eligible Participant to take up Options to subscribe for Shares at a price calculated in accordance with paragraph (d) below. The Eligible Participants will be any employee of the Company or any of its subsidiaries including any executive and non-executive directors of the Company or any of its subsidiaries, and any suppliers, consultants, agents and advisers or any person who, in the sole discretion of the Board, has contributed or may contribute to the Group.

An offer of the grant of an Option shall be made to Eligible Participants in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Eligible Participant concerned for a period of 28 days from the date upon which it is made provided that no such offer shall be open for acceptance after the earlier of the 10th anniversary of the Adoption Date or the termination of the New Share Option Scheme or the Eligible Participant to whom such offer is made has ceased to be an Eligible Participant.

A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Eligible Participant together with the said consideration of HK\$1.00 is received by the Company.

Any offer of the grant of an Option may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on GEM or an integral multiple thereof.

(d) Exercise of Options and Price of Shares

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the subscription price for the Shares in respect of which the notice is given. Within 28 days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate of the Company's auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the Articles of the Company for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the "**Exercise Date**") and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee has been duly entered onto the register of members of the Company as the holder thereof.

The exercise price for Shares under the New Share Option Scheme may be determined by the Board at its absolute discretion but in any event will not be less than the highest of: (i) the closing price of the Shares as stated in the daily quotations sheet of the Stock Exchange on the date of grant, which must be a Business Day; (ii) the average of the closing prices of the Shares as stated in the daily quotations sheets of the Stock Exchange for the five Business Days immediately preceding the date of grant; and (iii) the nominal value of the Share on the date of grant.

(e) Maximum number of Shares available for issue

- (i) Subject to the GEM Listing Rules, the overall limit on the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes of the Company must not exceed 30 per cent. of the relevant class of Shares in issue from time to time. No Options may be granted under the New Share Option Scheme or any other share option schemes of the Company if this will result in this limit being exceeded.
- (ii) Subject to the limit mentioned in (e)(i) above, the total number of Shares which may be issued upon exercise of all Options to be granted under the New Share Option Scheme and any other share option schemes of the Company adopted by the Group must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the New Share Option Scheme (the “**Scheme Mandate Limit**”), unless Shareholders’ approval has been obtained pursuant to sub-paragraphs (iii) and (iv) below. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.
- (iii) Subject to the limit mentioned in (e)(i) above, the Company may refresh the Scheme Mandate Limit at any time subject to approval of the Shareholders in general meeting, provided that the Scheme Mandate Limit as refreshed must not exceed 10% of the Shares in issue as at the Adoption Date. Options previously granted under the New Share Option Scheme and any other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised Options) will not be counted for the purpose of calculating the this limit. The Company must send a circular to the Shareholders containing such information as required under the GEM Listing Rules.

- (iv) Subject to the limit mentioned in (e)(i) above, the Company may also seek separate approval of the Shareholders in general meeting for granting Options beyond the Scheme Mandate Limit provided that the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a generic description of the specified Eligible Participants, the number and terms of Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose and such other information as required under the GEM Listing Rules.

(f) Grant of Options to connected persons or any of their associates

Any grant of Options to a connected person (including but not limited to a Director, chief executive or substantial Shareholder) or its associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). Where Options are proposed to be granted to a connected person who is also a substantial Shareholder or an independent non-executive Director or their respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (including Options exercised, cancelled and outstanding) in any 12-month period up to and including the date of grant to such person representing in aggregate over 0.1 % of the total issued Shares and having an aggregate value, based on the closing price of the securities at the date of each grant, in excess of HK\$5 million, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. All connected persons of the Company must abstain from voting at such general meeting (except where any connected person intends to vote against the proposed grant provided that his intention to do so has been stated in the Shareholders' circular to be issued as stated below).

A circular must be prepared by the Company explaining the proposed grant, disclosing (i) the number and terms of the Options to be granted, (ii) containing a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a grantee) on whether or not to vote in favour of the proposed grant, (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees.

Any change in the terms of Options granted to a connected person or its associates must be approved by Shareholders in a general meeting.

(g) Maximum entitlement of each Participant

The total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant or grantee (including exercised and outstanding options) in any twelve (12)-month period up to the date of grant shall not exceed 1% of the Shares in issue. Where it is proposed that any offer is to be made to an Eligible Participant (or where approximate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the twelve (12)-month period up to and including the relevant date of grant to exceed such limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval in general meeting with such Eligible Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Participant or grantee, the number and terms of options to be granted (and options previously granted) to such Eligible Participant, the information required under the GEM Listing Rules. The number and terms (including the subscription price) of options to be granted to such Eligible Participant must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

(h) Time of Exercise of Options

Subject to the terms of the New Share Option Scheme, an Option may be exercised in whole or in part at any time during the period to be determined and identified by the Board to each grantee at the time of making an offer for the grant of an Option, but in any event no later than 10 years from the date of grant but subject to the early termination of the New Share Option Scheme (the "**Option Period**").

There is no specified minimum period under the New Share Option Scheme for which an Option must be held or the performance target which must be achieved before an Option can be exercised under the terms of the New Share Option Scheme.

(i) Restrictions on the time of grant of Options

Grant of Options may not be made after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been announced in accordance with the relevant requirements of the GEM Listing Rules. In particular, no Option may be granted during the period commencing 30 days immediately preceding the earlier of (i) the date of the Board meeting for the approval of the Company's quarterly or interim results (and 60 days in the event of annual results) and (ii) the deadline for the Company to publish its quarterly, interim or annual results announcement and ending on the date of such results announcement.

(j) Rights are personal to grantees

An Option shall be personal to the grantee and shall not be assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest whatsoever in favour of any third party over or in relation to any Option or enter into any agreement so to do. Any breach of the foregoing by a grantee shall entitle the Company to cancel any Option or part thereof granted to such grantee to the extent not already exercised.

(k) Rights on cessation of employment by dismissal

If the grantee of an Option is an employee and ceases to be an employee on one or more of the grounds that he or she has been guilty of persistent or serious misconduct, bankruptcy, insolvency, composition with his or her creditors generally or conviction of any criminal offence or other grounds on which an employer would be entitled to terminate his or her employment pursuant to any applicable law, his or her Option (to the extent not already exercised) will lapse on the date of cessation of his or her employment.

(l) Rights on death

If the grantee of an Option is an employee and ceases to be an employee by reason of his or her death before exercising the Options in full and none of the events referred to in paragraph (i) above as ground for termination of his or her Options arises, his or her personal representative(s) may exercise the Option (to the extent not already exercised) within a period of 12 months following the date of death (or such longer period as the Board may determine), failing which it will lapse.

(m) Rights on cessation of employment for other reasons

If the grantee of an Option who is an employee and ceases to be an Eligible Participant for any other reason he or she may exercise the Options (to the extent not already exercised) in whole or in part within a period of three months following the date of such cessation, which date shall be the last actual working with the Group, whether salary is paid in lieu of notice or not. If any of the events referred to in paragraph (n) to (p) below occurs during such period, he or she may exercise the Option pursuant to paragraphs (n) to (p) respectively.

(n) Rights on a general offer

In the event of a general offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in The Hong Kong Codes on Takeovers and Mergers) with the offeror) and such offer becomes or is declared unconditional during the Option Period of the relevant Option, the grantee (or his personal representative(s)) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within thereafter and up to the close of such offer.

(o) Rights on winding up

In the event a notice is given by the Company to its members to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as it despatches such notice to each member of the Company give notice thereof to all grantees and any grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate subscription price in respect of the relevant Option (such notice to be received by the Company no later than two Business Days prior to the propose general meeting)) exercise the Option (to the extent not already exercised) either to its full extent or to the extent that he or she may specify in his or her notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting referred to above, allot and issue such number of Shares to the grantee credited as fully paid.

(p) Rights on reconstruction, compromise or arrangement

If a compromise or arrangement between the Company and its members or creditors is proposed for the purpose of or in connection with a scheme for the reconstruction or amalgamation of the Company, the Company shall give notice to the grantee on the same date as it despatches the notice to each member or creditor of the Company to consider such a compromise or arrangement, and thereupon the grantee (or his or her personal representative(s)) may by notice in writing to the Company accompanied by a remittance of the full amount of the subscription price in respect of which the notice is given (such notice to be received by the Company no later than two Business Days prior to the proposed meeting) exercise the Option (to the extent not already exercised) either to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting allot and issue such number of Shares to the grantee credited as fully paid.

(q) Cancellation of Options

The Board may at any time cancel any Option granted but not exercised if the grantee so agrees. Any cancellation of Options granted but not exercised and the issuance of new Options to the same grantee may only be made under the New Share Option Scheme with available unissued Options (excluding the cancelled Options) within the Scheme Mandate Limit referred to in paragraph (e) (i) above. Options lapsed in accordance with the terms of the New Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.

(r) Effect of alterations to share capital

In the event of any alteration in the capital structure of the Company by way of capitalisation of profits or reserved, rights issue, consolidation, subdivision or reduction of the share capital of the Company (other than an issue of Shares as consideration in respect of a transaction while any Option remains exercisable), such corresponding alterations (if any) will be made in (i) the numbers or nominal amount of Shares subject to any Option so far as such Option remains unexercised and/or (ii) the subscription price per Share and/or (iii) the maximum number of Shares available for subscription and/or; (iv) the method of exercise of the Option as the auditors or independent financial advisers for the time being of the Company shall at the request of the Company or any grantee certify in writing to be in their opinion fair and reasonable, provided that any such alterations shall be made on the basis that the grantee shall have the same proportion of the issued share capital of the Company to which he was entitled before such alteration and the aggregate subscription price payable by the grantee on the full exercise of any Option shall remain as nearly as possible the same as (but not greater than) it was before such event, but so that no such alterations shall be made the effect of which would be to enable a Share to be issue at less than its nominal value.
